A	Parts List								
	Item	Qty	Part Number	Description					
	1	1	Breadboard	Connects electrical components					
	2	1	Controller Base	Holds electrical components					
	3	1	Arduino	Sends messages to computer					
B	4	1	Fast Forward Button	Player input device					
	5	1	Confirmation Button	Player input device					
	6	1	Controller Lid	Encloses electrical components					
	7	1	Down Button	Player input device					
	8	1	Rewind Button	Player input device					
C	9	1	Left Button	Player input device					
	10	1	Right Button	Player input device					
	11	1	Up Button	Player input device					
	12	1	Back Button	Player input device					
	13	1	LED	Player visual feedback					
D	14	1	Confirmation Pushbutton	Allows current to flow					
	15	1	Right Pushbutton	Allows current to flow					
	16	1	Down Pushbutton	Allows current to flow					
	17	1	Rewind Pushbutton	Allows current to flow					
	18	1	Fast Forward Pushbutton	Allows current to flow					
E	19	1	Left Pushbutton	Allows current to flow					
	20	1	Back Pushbutton	Allows current to flow					
F	21	1	Up Pushbutton	Allows current to flow
